General Hospital**

## INTERNSHIP CERTIFICATE

This is to certify that **Li Rui**, Student No. **23250020**, a student majoring in **Psychology** at **JSS Academy of Higher Education & Research**, completed an internship as a **Clinical Psychology Assistant** in the **Department of Clinical Psychology** at **Chongqing Thirteenth People's Hospital** from **May 1, 2026** to **June 1, 2026**.

During the internship, Li Rui assisted clinical psychologists with non-diagnostic work under professional supervision. The principal duties included preparing and organizing psychological assessment materials; observing psychological consultations and evaluation procedures; assisting with patient reception, communication, and mental health education; maintaining internship and departmental records; and supporting routine departmental activities.

Throughout the internship, Li Rui followed the hospital's rules, professional ethics, and confidentiality requirements; completed assigned tasks responsibly; and demonstrated good communication, teamwork, and professional conduct. The internship was completed successfully, and the overall performance was assessed as Excellent.

This certificate is issued on June 30, 2026, for submission to JSS Academy of Higher Education & Research in support of the required internship report and related academic requirements.
