RESEARCH INTERESTS

Machine Learning; Marketing Models; Consumer Behavior; Digital Marketing; Tourism Marketing

EDUCATION & EMPLOYMENT HISTORY

Ph.D. in Marketing and Strategy (European Doctorate Track)

Expected: December 2027
University of Aveiro, Portugal
Department of Economics, Management, Industrial Engineering and Tourism

Ph.D. in Business Administration (Marketing Track; Internationally-trained PhD / Visiting Ph.D.)

Conferred: August 2027
Linköping University, Sweden
Division of Business Administration, Department of Management and Engineering

Ph.D. in Marketing and Strategy (Joint Degree)

Expected: December 2027
University of Minho, Portugal
School of Economics and Management (AACSB, EFMD Accredited)

Executive Master in Business Analytics and AI (Data Science Track)

Expected: January 2027
University of Porto, Portugal
Porto Business School (AACSB, BGA, AMBA, EFMD Accredited)

Master of Business Administration (Accounting and Finance Track)

Conferred: July 2023
City University of Macau, Macau S.A.R.
Faculty of Business (AMBA–BGA Gold Accredited)

B.S. in Business Administration (Marketing Track; Double Degree)

Conferred: October 2026
Thomas Edison State University, United States of America

B.S. in Computer Science (Double Degree)

Conferred: August 2026
University of the People, United States of America

B.S. in Psychology (Applied Psychology Track)

Conferred: October 2026
JSS Academy of Higher Education and Research, India

B.Eng. in Civil Engineering

Conferred: June 2021
Chongqing Institute of Engineering, China

RESEARCH ASSISTANT EXPERIENCE

Research Assistant

Present

GOVCOPP, University of Aveiro; FEK, Linköping University

Supervisors: Prof. António Carrizo Moreira (Universidade Aberta / formerly University of Manchester); Prof. Lars Witell (Linköping University); Prof. Rui Patrício (University of Aveiro). Projects on statistical modeling, sustainability consumption, and tourism luxury.

Methods: Python, SPSS, SmartPLS, AMOS, Stata, R, Excel, Mplus, Visual Advance.

Research Assistant

2022 to 2023

Hong Kong Polytechnic University

Supervisor: Dr. Yuk Ming Tang, The Chinese University of Hong Kong. Projects on dynamic pricing strategies using machine learning and psychological drivers of brand loyalty in digital contexts.

Methods: Python, SPSS, Visual Advance.

Research Assistant

2022

City University of Macau

Supervisor: Dr. Haoyu Liu, Hong Kong University of Science and Technology. Projects on consumer behavior modeling using multivariate techniques.

Methods: SPSS, SmartPLS, AMOS, Excel.

TEACHING AND ADVISING

Teaching Assistant Experience

Undergraduate: Graduation Project (Thesis)

MBA: Quantitative Methods; Graduation Project (Thesis)

Advising Activities

Dissertation committee member and statistical methods consultant for graduate students across marketing, tourism, and education research. Supervised PLS-SEM analyses, systematic literature reviews, and mixed-methods designs.

PROFESSIONAL EXPERIENCE

Business Analyst

2022

China Overseas Property Co., Ltd. (Zhuhai), Guangdong, China

Department of Marketing and Analysis. Analyzed historical financial data and benchmarked internal company performance against industry competitors. Applied Stata for automated data cleaning and filtering. Evaluated administrative and manufacturing expense budgets and prepared research reports on projected profits in online business districts and consumer behavior.

Data Analyst

2019

iQIYI, Beijing, China

Big Data Center. Applied Stata to extract 16,475 user profiles from internal consumption data and built a comprehensive user profile system. Cleaned and filtered data using Python; processed non-standard tags and extracted over 58,000 pieces of information to produce the *Q3 2019 Mobile Live Streaming Marketing Research Report*.

Assistant Civil Engineer

2020 to 2021

Chongqing Foreign Construction (Group) Co., Ltd., Chongqing, China

Division of Engineering. Supervised 5 large-scale construction projects completed 10% ahead of schedule. Conducted quality inspections covering 15,000 tons of concrete and 20,000 m² of steel structure materials. Reviewed 35 sets of design drawings, reducing material waste by 20%. Managed a CNY 200 million project budget with 10% cost savings. Executed 50 safety inspections, resolving 12 major hazards with a zero-accident record.

GRANTS

External Grants

Funded

Proposal Title: Doctoral Research Fellowship
Funding Agency: Foundation for Science and Technology (FCT), Portugal
Role Status: Principal Recipient
Coverage Period: 2024 – Present

Funded

Proposal Title: Research on Education and Governance
Funding Agency: Chongqing Municipal Education Research Experimental Base, China
Role Status: Research Team Member
Coverage Period: 2023 – 2025

SERVICE & PROFESSIONAL DEVELOPMENT

Service to the Discipline and Profession

Ad Hoc Reviewer: Acta Psychologica; Journal of Marketing Analytics; Tourism & Management Studies; Asia Pacific Journal of Marketing and Logistics; International Journal of Electronic Commerce Studies; International Journal of Human–Computer Interaction; Scientific Reports; Humanities and Social Sciences Communications (Nature Portfolio); BMC Psychology; Journal of Cleaner Production; Quality and Quantity; Discover Internet of Things.

Professional Memberships:

Member, American Marketing Association (AMA), 2024 – Present
Member, European Consortium of Innovative Universities (ECIU), 2024 – Present

Service to the Institution

Department Service

Director Assistant, Chongqing Institute of Engineering, 2017 – 2021
President, Psychology Association, Chongqing Institute of Engineering, 2018 – 2020

Community Service

Social Worker, Chongqing Huiling Social Worker Association, 2019 – 2021

Honors and Awards

National Scholarship for Undergraduate Students, 2018 – 2019
Undergraduate Scholarship, Chongqing Institute of Engineering, 2018 – 2020
